Presentations for the 2019/2020 Year. **(organized by Eileen Phillips) Save these dates!**

October 17, 2019 (This is the first General Meeting This Year)
Mark Costales is a group benefits consultant at Johnson Inc. and he will speak to us about options for travel and health insurance. This is a very timely presentation since so many of our members have voiced concerns about their current health care plan.
(We have also confirmed that there will be updates on Pensions from Gerry Tiede at this meeting.)

January 22, 2020

Graham Best will speak to us on 'Retaining the Power of Memory for Active Seniors'. This is a 3 hour presentation so our meeting time will be adjusted to accommodate this. More information to follow in early January. Graham is a retired physics teacher and the author of "Your Complete Guide to Building a Memory Palace".

March 31, 2020

Marie Lambert will speak to us about 'Nutrition for Seniors - and anyone else'. Marie is a dietician at Surrey Memorial Hospital.

AGM May 13, 2020

Patti Lefkos and Barry Hodgins, retired teachers/education administrators, will be speaking to us about travel-volunteering. Both are outdoors enthusiasts (skiing, paddling, hiking) who have traveled the world taking photographs and writing articles. They were involved in rebuilding a remote village school in Nepal after it had experienced a devastating earthquake. The title of their presentation is 'Nepal: One Day at a Time.'

Opportunities (travel to Cuba with Kit Krieger)

CUBA TOUR – FEBRUARY 2020

Kit Krieger, former BCTF President, BC College of Teacher Registrar and Executive Director of the BCPVPA, is taking a group, many of whom are retired educators, to Cuba in February 2020. The tour is for 10-days, commencing February 17th, with an option of three additional days at the beaches, and will cross the country with stops in Holguin, Santiago de Cuba, Camaguey, Havana, Cienfuegos and Trinidad.

Kit Krieger has visited Cuba 40 times since 1998 and has remarkable contacts on the Island. The focus of the tour will be history, culture and international relations. Stops at schools, including a Fine Arts' Academy, are planned.

Contact Kit at ekrieger@shaw.ca if you would like more information about the tour.

Share the joy of reading in your community by becoming a ONE TO ONE volunteer tutor.

ONE TO ONE matches emerging readers with volunteer tutors across Vancouver and the Lower Mainland.

Volunteers are provided with training and ongoing support to read with children for two to three hours once a week during school hours. You will develop a connection with the students that will help them bloom into successful readers.

It's easy to get started on your volunteer journey – fill out an application form online, complete a free criminal record check and then have a chat with ONE TO ONE on the phone to make sure you're a good fit. Initial training sessions for new volunteers will be held in September and October 2019.
