

Dear MEDOC customer,

We are pleased to announce that effective October 1, 2020 medical coverage under your MEDOC policy will include COVID-19 for the remainder of 2020 and with your new MEDOC policy beginning January 1, 2021.

Your MEDOC policy now provides coverage for travel to areas outside Canada, including where travel advisories due to COVID-19 may still be in place. Please carefully review the details of the modifications to your MEDOC policy, which can be downloaded, printed and saved by clicking [here](#).

Trip Cancellation and Interruption coverage remains in place, and is currently available for COVID-19 related cancellations if your trip was booked prior to the travel advisories being issued. However, Trip Cancellation and Interruption coverage related to COVID-19 will not be available for existing or future travel bookings as of January 1, 2021.

MEDOC Reissue for 2021

In a recent communication we announced the extension of your MEDOC policy Base Plan at no additional charge for a total of 4 months until December 31, 2020. Because of this coverage extension your annual MEDOC reissue documentation will now be sent in November for a new policy term of January 1 to August 31, 2021. While we are finalizing the terms for the January 1, 2021 reissue, we confirm medical coverage under your new MEDOC policy will include COVID-19.

We value your patronage and hope that you and your family are staying safe and well.
