**Carter Auto Group** Looking for a new car or truck? Purchase **any** make or model of a, brand new vehicle at a reduced price! One of the best Affinity benefits, is the Carter Auto Group offer for our members. Do your own research and decide on the make and model of the car you are considering. You can even ask for the price on two different vehicles! Know the colour and options you want, then you are ready to get started. Contact LYNDEN BEST, Account manager, at: [Lynden.best@carterauto.com](mailto:Lynden.best@carterauto.com) Cell: 604-916-2378, Direct line: 604-292-2107, or toll free: 1-877-311-2266.

Some practical tips before you contact Lynden:

1. Do your research, know your options and colour
2. Visit a dealership, that your model out for a test drive
3. Check out what your model would cost from a dealer, so you can have a comparison
4. If you feel you have made your decision, give Lynden a call.

Allan reports:

'I went through this process this past year and it was my first time working with Lynden. Lynden is very professional. He lets you know how he can assist you. He is very prompt in returning either your call or email.

I as looking for a 2020 Toyota Avalon and Lynden quickly informed me that he would not be able to order one because Toyota deals with their own managers. But this was not a problem, because Lynden quickly contacted one of his Toyota counterparts and he told me to expect the same service that I would have received from himself.

I was introduced to: RUDY ENGSTROM, Fleet Manager at Granville Toyota: [rudyengstrom@gmail.com](mailto:rudyengstrom@gmail.com) Office: 604-263-2711 Cell: 604-644-8800

Rudy was also extremely professional, and we were able to order the vehicle from the factory. By using this Affinity service, I saved a little over \$4000 dollars from the best price from a regular dealership salesperson. Of course, the total savings will depend on the make, model and options you choose on your new car. Happy car hunting!'
