HearingLife

Hearing is essential. If you have hearing loss, hearing aids can help you stay connected when being physically present is not possible.

The latest hearing aids could make voices easier to hear through your virtual phone calls and can connect wirelessly to many devices for a seamless hearing experience, no matter what you are listening to. HearingLife is offering a free, 30-day trial on hearing aids and hearing tests are always free. Visit: <http://bit.ly/2OutUV>

TAX TIPS for the 2020 Tax Year

BCRTA Pension and Benefits Committee each year sends out an annual checklist. It is intended as a guide to help make the most of your annual tax return. Of course, BCRTA does not offer income tax advice, but here are some common issues and deductions to keep in mind. BCRPVPA sincerely thanks them for their support in this area. Double click on the link below.
