

IRIS ADVANTAGE

Happy Spring from IRIS! Our Opticians, Optometrists and associates are looking forward to welcoming IRIS Advantage members to their locations and providing eye examinations, new eyewear and contact lenses.

IRIS has implemented rigorous health and safety measures in all of our locations. Please note, in order to ensure that safe distancing and thorough sanitizing can take place, **all services are now being provided by appointment only**. Call your local IRIS location to book a convenient time [Find a Location](#) or use our online booking system: [Book An Eye Exam](#).

The following short video will let you know what to expect when you visit your IRIS location. Please take a moment to watch.

[Your Health Is Our Priority](#)

The team at the Advantage Program is actively working to assist British Columbia Retired Principals and Vice Principals Association (BCRPVPA) to promote our Eyecare Benefits program.

We are sending you a new Welcome Letter, which you can distribute to all your employees through your regular communications channels. It is an opportunity for your employees to be reminded about their eyecare benefits for themselves and their immediate family members.

They are able to access great benefits, which are combinable with extended health plans and allow them to receive greater value for their health care dollars.
