Welcome to the BC Retired Principals' & Vice-Principals' Association Travel Newsletter!

We're seeing more countries opening their doors to fully vaccinated travellers. Having recently travelled to Saudi Arabia, we have first hand experience of what travel is like now, before, during and on the return. Many of you likely have not travelled out of Canada since the pandemic began and with that comes uncertainty. Our goal is to provide you with comfort, guidance, and setting the right expectation.

In this edition, we're featuring a combination of domestic and international travel experience; a few new trips and offers, including Haida Gwaii (Canada), new group trip to Colombia (July 2022) and Tanzania in August 2023, and a special offer with Celestyal Cruises!

Ryan and Tom will be hosting a group departure to witness “The Great Migration” in Tanzania in August of 2023. We will be officially releasing this trip in our next newsletter! See the details below on how to be placed on the priority list.

**We understand there is some uncertainty in the world as it relates to international travel in the near future; especially with current restrictions and requirements. At this time, members should make their travel decisions based on what their local Provincial Health Officer/Government is advising, followed by the Canadian Government. Through our assistance we will provide our best guidance when booking future travel.*
