

British Columbia Retired Principals' & Vice-Principals' Association

September 2022

You are one of 755 members of the BCRPVPA and we look forward to meeting you at future meetings.

As a professional association, the Executive is united in its purpose to serve the needs of the members and responding to their wellbeing. Our Mission Statement is aimed at this purpose: *We strive to support the wellbeing of our members through a variety of services, interests, and resources. We also endeavour to contribute to the educational system.*

With respect to the latter, we send letters of support to the relevant bodies re the Public School System, the BCPVPA, (with whom we have a close relationship), and the BCR-TA. We participate in the Mentorship Program. We also award a number of scholarships of at least \$1000 each year to students graduating from grade 12 and continuing with some kind of post-secondary education.

We also offer a wide variety of affinities and benefits and publish a Newsletter several times a year.

This year, we are also hoping to enter a partnership with Human Works which offers psychological aid.

We invite Speakers to General Meetings which are hybrid in nature (in-person and via Zoom).
