Trip Cancellation is a compulsory benefit under the MEDOC Plan. For Quebec and Saskatchewan residents, Retail Sales Tax is payable on the entire premium. This tax is not applicable in other provinces.

**See reverse for administrative information.**

## Administration Information

You and your spouse can select two Individual plans or one Family plan. If you are purchasing a Family plan, both you and your spouse must qualify for the same Health Option and the premium will be based on the member's age. Dependent children are covered if you purchase the Family plan or two Single plans.

\*The Base Plan premiums shown on the reverse are for the entire policy year – from September 1, 2021 to August 31, 2022.

†Supplemental Plan premiums are based on the Total Trip Duration increments of 36-45, 46-60, 61-75, 76-90, 91-105, 106-120, 121-135, 136-150, 151-165 and 166-182 days. For example, a trip of 95 days would have the same premium as a trip of 104 days, as Supplemental Plans have a set premium for a Total Trip Duration ranging anywhere from 91 to 105 days.

The Supplemental Plan is for trips in excess of 35 consecutive days outside Canada. The Supplemental Plan Total Trip Duration should include the date you leave Canada for a period of longer than 35 consecutive days and the date you return to your province or territory of residence.

When purchasing two or more Supplemental Plans during a policy year, the full premium for each Supplemental Plan Total Trip Duration must be paid.

Monthly payments, if selected, are deducted on the 5th of each month from your bank account. For first time applicants, please attach a "Void" cheque to your application form. If you are an existing MEDOC policyholder, a void cheque is not required unless your banking information has changed.
